The month of September is an important month in our calendar year. The children have officially gotten back into the swing of things with school, the weather cools down to normal temps, and the holidays are in line one by one. September, however, is also a month of symbolism in our great country. On the 11th of every September we remember all of the innocent and brave people whose lives were taken in New York City. Let us use this month and every other month in the year to be thankful for what we have. On those days when it seems like everything is going wrong, let's halt and remember; it could be worse.

LEASING OFFICE

Community Garage Sale

Rain or shine we will be holding our annual community garage sale Saturday September 18th 2010.

The office is going to be advertising the event on craigslist and through yard signs in the Lee Vista/Semoran area. What an easy way to get rid of those things taking up space in your storage, while making a few bucks!!!

and 27th @ 7pm.**

We have implemented a new policy in our office. The following has been in effect since 8/15/10:

It is important that all pets are recognized and appreciated in our community. The Grand Reserve is sponsoring "Pet Appreciation Day" 9/9/10 in our leasing office. This event will be taking place all day so bring your pet by and we'll take a snapshot and have a lovely little gift ready for him/her. The following week we will gather up all of the snapshots and vote the cutest "Grand Reserve" Pet!!
